

PRICING

Effective April 2025

Donation Disclaimer

PrEP Movitrem and PEP Biktarvy are provided free of charge. Donations are used to cover part of the expenses associated with the distribution of these medications as well as part of the payment of medical and administrative personnel, rent of facilities and laboratory services, among other things. If you are unable to meet the recommended donation, please speak with the staff. We are committed to making PrEP and PEP services available to all regardless of your ability to pay.

Cuota de recuperación

El PrEP Movitrem y el PEP Biktarvy, se entregan a los usuarios de manera gratuita. Las cuotas de recuperación se usan para cubrir parte de los gastos asociados con la distribución de dichos medicamentos, así como, el pago del personal médico, administrativo, renta de las instalaciones y servicios de laboratorio entre otras cosas. Si usted no puede cubrir la cuota de recuperación, por favor hable con el personal. No se le negará acceso a PrEP y PEP por falta de pago.
