

# ABOUT THE BPP

The U.S. – Mexico Border Philanthropy Partnership supports a network of organizations that build prosperity through leadership, collaboration, and philanthropy in the U.S.-Mexico Border region.

The U.S. – Mexico Border Philanthropy Partnership serves as the leading binational organization focused on building prosperity along the U.S.-Mexico Border region through leadership, collaboration, and philanthropy. Together, with our network of more than 400 members that include academic, business and corporate partners, foundations, government agencies, and nonprofit organizations from all regions in both countries, we are helping to build prosperity for communities on both sides of the border.

The BPP is the only binational, legally incorporated nonprofit organization in both countries, promoting philanthropy along and across the 2,000-mile border region. Since 2008, we have cemented the foundation for increased charitable giving in the border.
